

KALO

150mm

The KALO 18W Commercial Downlight 150mm is used in commercial applications where style and class is important. At 60mm, this is one of the most low profile commercial downlights available. IP54 Rated. Used in schools, hospitals, corridors and wet areas. With a matt silver reflector and diffused lens the KALO series offers excellent optical control along with visual interest.

Programmed with CLO output.
