NEO PRO D6.25
25W Commercial Downlight

The NEO PRO D6.25 Commercial Downlight is designed for higher ceilings, or when more focused light is required. With a smaller 175mm cut out this model boasts a 25W output. It has a direct output with a 40 degree beam angle. Available in 4000K and 3000K, dimmable and non-dimmable options are available.

Designed for use in offices, retail and public spaces.
